Overview

SC Surfsschools 'Safe Surfing' packages are fun, participation based 'surf specific' programs designed for upper primary and secondary school students and community groups. Our programs provide students with a blend of physical, social and environmental decision-making and action situations of progressively increasing complexity in a safe and structured environment.

What is the 'Safe Surfing' program

It is a joint initiative supported by the Federal Government through Aus Sport and the governing body of the sport of surfing – Surfing Australia. The aim of the 'Safe Surfing' program is to take entry-level surfers to a level of competency where they can participate safely in the sport and enjoy their time in the ocean environment.

Delivery

SC Surfsschools 'Safe Surfing' programs are delivered by fully qualified and accredited Level 1 Surfing Queensland surf coaches. Each coach holds a current Blue Card, Surf Rescue or Bronze Medallion, Senior First Aid and Advanced Resuscitation certificates.
